iPhone Basics: Week 1

Hannah
Digital Literacy Specialist

What is an iPhone?

What is iOS?

Today we will cover:

- Overview of iPhone hardware and software
- Navigating your iPhone
- Intro to iPhone Settings
- Safari (if we have time)

Next week we will cover:

- Questions?
- Apple ID and the App Store
- Apps:
  - Safari
  - Clock
  - Camera
  - Requests or suggestions?

Questions?

Where to learn more?

For next week:

Please make sure you have your Apple ID and Password.

Thank You
