2. Ask questions
3. Help your neighbor

How do you use Google
Search?

What was your last
search?

How does Google Search work?

Search Tabs Activity

1. Divide into groups—by row or seating.
2. Search for “Chicago Water Tower” in Google Search.
3. Each group will use one of the following search tabs:
 1. News
 2. Maps
 3. Videos
 4. Shopping
 5. Images

Search Tabs Activity (cont.)

1. What kind of results or information does this category show you?
2. When might it be useful to use this tab?
3. If there is a “Tools” menu, what other options for narrowing your search does it offer you?
